*Only participants who registered will receive the Zoom link to the event automatically.

AGENDA

DAY 1 (8th September)

Moderated by **Katalin Czippán & Dr. Linda Schrapp**
University of Applied Sciences Weihenstephan -Triesdorf

Welcome & keynote speech

09:00 – 09:45

Welcoming note

09:00 – 09:20

Dr. Wolfram Adelman - *Bavarian Academy for Nature Conservation and Landscape Management*

Daniele Zucchelli - *Metropolitan City of Milan, LUIGI Lead Partner*

Prof. Dr. Markus Reinke – *University of Applied Sciences Weihenstephan Triesdorf, Vice President Research*

Keynote speaker

09:25 – 09:45

"How could Green Infrastructure help safeguarding Alpine Food Heritage - insights to participatory governance approaches from the AlpFoodways project"

Dr. Cassiano Luminati – *Polo Poschiavo Region*

Thematic Session 1. – Governance in GI planning & management in the Alps

09:45 – 11:30

Introduction and moderation: **Dr. Werner Rolf** – *Technical University of Munich*

Overview of GI governance in the LUIGI Pilot regions

10:00 – 10:30

Presentation: **Dr. Rico Hübner & Maren Buschhaus** - *Technical University of Munich*

Presentation on the differences in terms of actors involved and their constellations, their motivations, available resources, and different governance arrangements regarding GI governance in the LUIGI pilot regions.

Coffee Break

10:30 – 10:45

Workshop and discussion round in breakout sessions

10:45 – 11:45

Moderation by **LUIGI facilitators**

Breakout group discussions using Mural whiteboard about best-practice examples i.e. what can we learn from each other in terms of a better GI governance.

Coffee Break

11:45 – 12:00

Thematic Session 2. – Solution strategies

12:00 – 13:00

Limiting factors and potential solutions for good GI governance 12:00 – 12:30

Presentation: **Dr. Rico Hübner & Maren Buschhaus** - *Technical University of Munich*

Presentation of selected challenges, limitations, and potential solutions derived from the in-depth-analysis across the pilot regions and their case studies.

Discussion and wrap up

12:30 – 13:00

Moderation by **Dr. Rico Hübner & Dr. Werner Rolf** - *Technical University of Munich*

Reflections by participants on Mentimeter upon the different challenges and solutions discussed and prioritize potential fields of action for future activities.

Summary and closing of Day 1

13:00 – 13:15

DAY 2 (9th September)

Wrap up

09:00 – 09:15

What did we learn from Day 1? Setting up the stage for Day 2

Moderation: **Katalin Crippán & Dr. Linda Schrapp** - *University of Applied Sciences Weihenstephan Triesdorf*

LIFE Living Natura 2000

09:15 – 09:30

"Promoting the European Network of Protected Areas" - Experiences on communicating green infrastructure to different target audiences - examples from the LIFE Living Natura 2000 project.

Franziska Johanna Albrecht - *Bavarian Academy for Nature Conservation and Landscape Management*

Green infrastructure in policy making

09:30 – 12:50

Policy maker from the Alpine Space - *Under approval*

Explanation: Goals, structure, tools of the workshop

10:00 – 10:15

Prof. Dr. Michele Coletti & Dr. Frédéric Bally - *Grenoble École de Management*

Challenges & messages from and for policy-makers

10:15 – 12:40

These parallel breakout sessions will focus on the challenges & messages from and for **local/regional/national and transnational policy-makers**. Two breaks will be included.

Moderation by **LUIGI** facilitators.

Wrap-up of Day 2

12:40 - 12:50

Moderator: **Prof. Dr. Michele Coletti** - *Grenoble École de Management*

Closing of the event

12:50 – 13:00

Dr. Linda Schrapp - *University of Applied Sciences Weihenstephan Triesdorf*

Daniele Zucchelli - *Metropolitan City of Milano*
